

February 2020

Dear Parent/Caregiver,

SUBJECT EXPENSES and CONTRIBUTION INVOICES

Invoices showing subject expenses and contributions for 2020 will be emailed or posted (if no email address held on file) to families. This will also, if applicable, include any outstanding balances unpaid from previous years.

Statements will be online available at any time through the School Bytes email link for your convenience. Initially please check your spam/junk file if you have not received your statement. As excursions or extra-curricular activities are invoiced to students, we will also send initial advice and reminders as the due date approaches.

If you have any questions or concerns regarding anything that appears on your account at anytime, please contact the Front Office in order for the account to be rectified.

We request your support in paying for subject fees as these vital funds are used in all areas to assist in purchasing equipment and resources to provide a quality education for your child. While the general contribution is voluntary, subject fees, sport, excursions and elective subjects, which incur costs to the school, run on a user-pay system.

If you wish, payments may be made by instalments, however, we ask all practical and elective subject fees for example; Home Economics, Visual Arts, Industrial Arts are paid, as a matter of priority, in full by the end of Term 1 as course materials have already been purchased.

How can you pay?

The school is able to accept payments:

- in person at the Front Office by cash, cheque, money order or EFTPOS up until 1.00pm each day
- by calling the front office 9520 9488, for expenses over \$45, and providing credit card details
- pay online via the email link or by logging onto the school site at <http://www.heathcote-h.schools.nsw.edu.au> click on 'online payment' and follow the prompts to make payment via Visa or Mastercard

Hardship or questions?

If you are unable to pay the full amount, or have a query regarding an expense listed on your invoice, please contact the Front Office to negotiate an arrangement for payment due to hardship if required.

We thank you for your ongoing support.

Yours sincerely,

Mr S Waser

Expenses for 2020

P&C Contribution

In lieu of fundraising activities throughout the year a P&C Levy of \$25.00 per student is requested. The amount is shown on the invoice and can be included when making payments of the school contribution and elective/subject expenses.

Funds raised throughout the year with this levy are donated back to the school and used for programs decided by the P&C eg purchasing water dispensers, outdoor furniture and outdoor table tennis tables.
